

TULSI

2020

Thank you for volunteering on Tulsi Gabbard's campaign for President! Your commitment to promoting Tulsi's candidacy is already helping change this country, and we could not be more excited for you to join our team. Whether you knock on doors in your own neighborhood or spend ten hours a week organizing your county, we are so grateful.

County Captain

The County Captain helps guide the county's volunteers towards volunteer activities and maintains that county's volunteer structure. As your county's captain, you will be the main line between volunteers on the ground and the state campaign. Your most important job is keeping volunteers in your state updated on campaign news and how volunteers can continue playing a role to help elect Tulsi. While signing up to be a county captain will mostly require patience to get through calls and check-ins with town captains, perhaps most importantly, the role will require the flexibility to handle and accomplish the campaign's evolving goals and the constant enthusiasm to lead volunteers in accomplishing those goals.

- Maintain contact with volunteers who do not have captains to report to.
- Ensure campaign materials get to house party hosts.
- Organize and lead monthly county organizing meetings.
- Train new volunteers on the various tactics.
- Track volunteer shifts through completion.
- Volunteer!

Estimated hours per week: 5-7
