

# Tulsi Gabbard For President

## Stop War – Promote Peace

President Tulsi Gabbard will redirect the money currently being spent on war and instead spend that “Peace Dividend” on a better set of priorities which includes:

- Guarantee health care for all
- Provide education for all
- Support green energy
- End homelessness
- Improve infrastructure
- Increase the minimum wage
- Legalize cannabis
- Prosecute opioid executives
- Guarantee fair elections
- Overturn Citizens United
- Reject corporate personhood
- Reform Immigration system
- Support **LGBTQ** rights
- Break up the big banks
- Ban fracking
- Protect the environment
- Label GMOs
- End for-profit prisons
- Protect freedom of speech
- Stop NSA surveillance
- Protect net neutrality

Tens of thousands of people across the country have taken the time to learn more about Tulsi Gabbard and they have realized that they agree with her vision for the future of America.

In order for Tulsi Gabbard to be qualified to participate in the Democratic Party debates, she is required to receive at least 130,000 unique donations.

Please help to ensure that Tulsi's voice will be heard on the debate stage by contributing to her campaign:
